- Anti-galvanic corrosion prevention gasket set.
- Supplied with all F200 cameras as standard

Description

Spectrum SF-RSK reliable securing kit for all F100 and F200 Series fixed cameras is designed to work together with the required wall mounts and optional accessories. The kit allows for the camera to be secured from any mounting failures with its stainless-steel/nylon fall protection lanyard. The SF-RSK is ideal for onshore, offshore, marine, and heavy industrial applications.
